

ECOSY DEPOT

The Altech Ecosy Depot is a modern, oval, freestanding soapstone wood-burning stove that will suit virtually any home interior. The name Ecosy is a combination of ecology and cosiness, which in English means ecological and cosy. And the Ecosy is a clear example of this, as it has a confidential appearance that immediately creates a cosy atmosphere in the house.

PRODUCT BESCHRIJVING

The ideal modern (soapstone) stove

Thanks to the modern technology Altech applies to the Ecosy, this stove can easily be controlled with a single button. On top of that, this soapstone stove features a spacious combustion chamber. In short, the Altech Ecosy is a true jack-of-all-trades: beautiful, convenient, sustainable and economical.

The Ecosy is available in different varieties

The Ecosy series consists of 2 different models. All models have the same base, but feature a different appearance. For example, the Ecosy can either be equipped with cast-iron legs or a wood compartment. The Altech Ecosy Depot features a convenient wood compartment. On top of that, it is available in natural soapstone with anthracite cast iron or in uniform black soapstone with black cast iron.

Curious about the Altech Ecosy Depot soapstone wood-burning stove?

Experience the delightful heat and take a look at this stove in the showroom of one of our dealers.
