## PRODUCT BESCHRIJVING

For the first time in Altech's 40-year history of making soapstone stoves, we decided to release a model with a steel frame. Thanks to this steel frame and the recessed soapstone, the Altech Max features the sleekest design of the entire soapstone stove assortment.

With an output of 3 to 8.5 kW, the Max can fill both small and larger rooms with delightful, infra-red heat. The wood-burning stove is easy to use. You can operate the integrated door handle and air supply slide using the included wrench. As usual with Altech, this product is available with a wood depot, offering you an even better view of the wonderful flames.

## CURIOUS ABOUT THE ALTECH MAX B SOAPSTONE WOOD-BURNING STOVE?

Experience the delightful heat and take a look at this stove in the showroom of one of our dealers.
